

Matt Loera

Housing equity and community research · Operations and data quality · Technical systems

Portland, OR · mattsloe@gmail.com · 214-336-1774 · mash-web.com

SUMMARY

Computer science graduate with experience in housing equity, Indigenous data sovereignty, grant reporting support, and hands-on operations. Brings careful data collection, strong writing, operational accountability, and partnership experience to community development work.

EXPERIENCE

Future Generations Collaborative

May 2021–September 2024

Partner · Portland, OR

- Contributed to community-based research and education focused on Indigenous data sovereignty and housing equity.
- Conducted community outreach and education related to equitable housing access, tenant protections, and anti-displacement work.
- Built partnerships with local organizations focused on housing security, community engagement, and mutual support.
- Supported yearly reporting and data collection connected to grant-funded program accountability.

Punch Bowl Social

2018–March 2026

Bar Manager · Portland, OR

- Managed day-to-day restaurant operations across staff coordination, customer service, event support, and shifting business needs.
- Handled accounting, cash management, and other operational responsibilities in a fast-paced service environment.
